

CLIMATE TRAINING

West Lothian Climate Action Network Hub can deliver training on climate change and carbon literacy in your venue.

FRESK SESSIONS

- Three-hour workshop on causes and effects of climate change.
- Group activity for 6-20 participants using picture cards.
- WLCAN's facilitators provide workshops free in West Lothian.
- Use your venue, or join up with another group.

Fresk for young people

- Card set specially for younger age groups.
- Workshop in school or setting of your choice.

BESPOKE FOR SCHOOLS

Workshops designed and delivered by us using our climate education kit.

NET ZERO

- Training for groups working to achieve net zero in carbon emissions.
- Delivered with our partners in sustainability and environmental expertise.

TAILORED SESSIONS

- Carbon and climate action training tailored to group or community.
- Can be themed on energy, heat, water or land.
- Suitable for businesses, homes and community groups.
- Bespoke for all ages.

CYCLABILITY

- Help communities develop safer cycling activity.
- Introduction to e-bikes.
- Cycle maintenance classes.
- Connect with cycle groups.
